WRITING

To start with I want to tell you that I am really keen on travelling. I've been to different countries, but the most exciting for me is Georgia. 28

I visited Georgia two years ago with my friends. Firstly, the weather was excellent and the sea water was warm. Secondly, local people are extremely friendly and helpful. Moreover, we visited different parks and historical monuments. 36

However, there are some disadvantages. The streets are quite dirty and the traffic is awful. Car drivers don't even look at pedestrians. 42

In conclusion, I want to say that despite the disadvantages, Georgia is a nice country with interesting sightseeings. I highly recommend you to visit this country especially to see the moving statue of Ali and Nino, whose love story is very tragic. 44
