The "Patriot".

Do you want to visit an interesting place in Nyagan? I want to recommend you the "Patriot". I'm sure there you will have a good time, and find lots of interesting activities.

This place is located in the forest near to the departure from Nyagan. "Patriot" is the greatest place in the town. Here you can do picnics, organize different parties and just walk in a beautiful area. You must know this is a perfect place for spending time with your family or friends. Also "Patriot" has got its own museum outside where you can see how people lived in our district in the past. There are is a gym ^{too} which is free for teenagers. It also has got a low prices for adults. By the way, you can do lots of interesting things not only in the summer, but in winter too. This season you can spend a day or a few hours at one of the house at the "Patriot". You may enjoy the winter atmosphere in a warm and calm place with music and yummy food.

If this place wouldn't be so good as it is in the real, I didn't recommend it to you. If you are looking for the interesting, refreshing and beautiful places, go to the "Patriot" and don't forget to take some photos - there are very exciting landscapes!
