## WRITING

?

Well, Nyagan isn't a very big city, so there aren't a lot of interesting places for foreign tourists to visit, but anyway let me tell you about one of my favourite places in my town. 35

The place I'm going to talk about is city mall called „Oasis Plaza“. It's located exactly in the towncentre near the main city square. 26

The main reason I like it is that I can seat there with my friends if it's cold or rainy. There is a foodcourt where you can get not expensive food, or go to a supermarket where you can buy everything you need. 40

This place can be interesting for foreign tourists because there are a lot of shops where they can buy things like clothes or some professional stuff. 16
