## WRITING

### The Ski base

First, what comes to my mind when I think about my hometown Nyagan is generous people, colourful building walls and beautiful nature. If I'm feeling sad or unmotivated I for sure go to the Ski base, my favorite place in <sup>the</sup> town. It is located ~~behin~~ near <sup>the</sup> church and central hospital. 51

I like going there because it's the place where I can ~~for~~ find my zen and practice meditation. Surrounded by long trees it brings me much needed joy and peace. Sounds of nature, like bird songs, make me inspired, that's why I go there to draw or read (or write poems). (lots of great memories were made here.)

I would <sup>so</sup> definitely recommend the Ski base to foreign tourists. There they could meet nice people and participate in different kinds of sport activities like skiing and <sup>playing</sup> football with <sup>a</sup> local team, jog <sup>giving</sup> ~~skiing~~. (This is why this) and more. Come visit! 136
